ACHIEVEMENT

2022

ALL INDIA HACKATHON WINNER

VGU University

Led a multi-disciplinary team to clinch the top spot among 450 participating teams in the prestigious All India Hackathon hosted by VGU VIT College, Jaipur. As the UI/UX designer, I played a pivotal role in prototyping and contributed to chatbot coding and online website development. Our outstanding performance earned us a coveted prize of INR 1,00,000.
